COMMUNITY SERVICE – (There will be a collection box on Mrs. Keese front door porch to place **NEW** items by **May 9, 2020**)

COVID-19 WISH LIST

We thank all of our supporters who have reached out to donate, volunteer, and lend a helping hand since the onset of the Coronavirus (COVID-19) pandemic. You have inspired us to be more innovative as we maneuver with confidence through this time of uncertainty with ways to continue providing our emergency services (hot meals, showers, a safe place to sleep, etc.), 12-step recovery, family living, job training, education, and workforce development programs to our community. Our community needs our help now more than ever. * **There will be a collection box on Mrs. Keese front door porch to place NEW items by May 9, 2020.**

You can help by donating the following items.

We are serving breakfast, lunch, and dinner “take-out” meals to our community every day. The number of people we are serving is continuing to increase as other feeding programs have reduced or discontinued services.

Disposable multi-compartment to-go food containers; Disposable utensils (forks, spoons, knives);
Napkins; Disposable lunch bags; Produce bags; Plastic wrap; Re-sealable storage bags;
Single serving beverages; Loaves of bread; Chips; Ready to eat meals, including sandwiches

With our increased diligence in keeping surfaces disinfected and clean, we are going through supplies much more rapidly than before, and resupplying has become problematic because of the current hoarding.

EPA approved Antibacterial disinfecting cleaners; Antibacterial disinfecting wipes; Disposable gloves
Surgical masks (for people presenting with a cough); Hand sanitizer; Infrared no-touch thermometers.
